Ok Truthers, we hope you're sitting down? .....Because we have compiled an astonishing group of speakers for some huge 2 day FREEDOM SUMMITS in Brisbane, Sydney and Melbourne early 2014.

Following on from our hugely successful FREEDOM SUMMIT in Brisbane in November 2013, we have listened to all the feedback and agree that 1 day was just too cramped. Many people wanted the speakers to have longer on stage, and so your wish is our command.

Click on the Logo link above and read all about this truly AMAZING upcoming event and how YOU can be a part of it !!

What is Truthology?

Truthology is a **TRUTH and AWARENESS** information hub, designed by us for our members to research and study all of the truth topics that we have collated from all over the web, and through our combined studying over the past 10 years...It contains all the information that you are **not supposed to see or learn!!**

The Truthology Foundation is a non-sectarian, not-for-profit (N-F-P), non-government organisation (NGO). We are a truth and awareness site, and a service provider that helps the people. We donate to and support various charities and worthwhile groups locally and internationally.
